ANNOUNCING MIRIXAPROSM 6.0

Dedicated to Helping You Deliver Clinical Services to Your Patients

We have shared many MirixaPro enhancements this year designed to better support you in delivering medication management services to your patients. Mirixa has been focused on enhancements that improve your workflow efficiency while enabling you to continue to deliver high-quality clinical services. Mirixa proudly announces the launch of MirixaPro 6.0, the culmination of our efforts throughout 2017, including recent additions in September. For complete details, click [HERE!](#)

MIRIXAPROSM PLATFORM ON-DEMAND TRAINING COURSE

Interactive Training Updated to Reflect All Great MirixaPro features

The MirixaPro Platform

START COURSE

DETAILS ▾

Check it out! The MirixaPro platform now offers an on-demand, interactive training course containing 11 lessons. These courses, available on the "Training and Support" page, have been updated with expanded content and enhanced formatting.

New MTM provider on your team? Take the whole course.

Need a quick refresher on one section of the platform? Review the relevant lesson.

Hurricane Harvey and Hurricane Irma

Mirixa Provides Extensions for Areas Affected by Recent Hurricanes

Mirixa has extended the expiration dates for MTM cases (where possible) in areas affected by the recent hurricanes in the US and its territories. Pharmacies in areas of Texas, Louisiana, Florida, Alabama, Georgia, South Carolina, Puerto Rico and the US Virgin Islands have had their cases extended in an effort to allow pharmacies time to reach out to patients and provide this service as patients and pharmacies return to a more normal daily life.

Not all cases can be extended and, after a certain time, cases may be pulled before the case expires. If you need more time to conduct any case, call Mirixa Support at (866) 218-6649 and ask for a case extension. We will provide an extension if we can! Please note that we cannot reopen closed or lost cases.

CMR \$ummer Continues through September!

Mirixa is celebrating the final month of CMR Summer in September with a chance for you to win some "Cool Cash"! Serve your Mirixa CMR cases this September to enter to win a \$100 gift card!

Mirixa is giving away ten \$100 gift cards each month this summer to pharmacists who enter the giveaway. Pharmacists will be automatically entered into the monthly drawing - once for each served CMR case in a Mirixa MTM program that month. Make sure to serve all your CMRs each month!

Here are the basics:

- To enter the giveaway, your pharmacy must be contracted with Mirixa to participate in programs.
- Pharmacists participating in MTM programs will receive one entry each time they serve a CMR case using the MirixaProSM platform, per all applicable program requirements.
- The giveaway runs from Saturday, July 1 through Saturday, September 30, 2017.
- Monthly winners will be selected just after the end of each month during the giveaway period.
- Make sure your email address is up to date in the MirixaPro platform so we can contact you if you're a winner!
- Entries can also be sent via postcard to Mirixa.
