

Pharmacist (Linguistic Specialist)

Position Summary:

Mirixa Corporation, the leader in Medication Therapy Management services, is looking to add qualified bilingual pharmacists who are fluent in English and Spanish to its growing team. This key position will be providing clinical service to patients through telephonic consultations, while collaborating with physicians and other healthcare professionals to implement optimal medication regimens for patients, identify potentially harmful medication related problems, and optimize medication use for improved patient outcomes.

Education:

Required Degree in Pharmacy and Licensed as a Virginia Pharmacist (current)

Preferred MTM Certification, Residency and other advanced training (Certified Disease Educator, Certified Disease Manager)

Experience:

Minimum of 4 years' experience in a retail, hospital, managed care or consultant setting with direct patient interaction. Exposure to MTM and other related clinical services. Must be fluent in English and Spanish.

Requirements:

- Excellent communication skills and the ability to quickly build rapport with patients over the phone
- Must be bilingual and fluent in English and Spanish
- Demonstrated ability to effectively and efficiently discuss clinical information regarding medications from all sources (prescription, over-the-counter, herbal, etc.) in patient-friendly language
- Sound working knowledge of Medicare Part D MTM
- Congenial personality, warm telephone manner
- Ability to work under pressure and achieve deadlines
- Ability to work with others in a collaborative environment
- Desire to advance patient care and the profession of pharmacy

Skills:

- Strong attention to detail
- Ability to multitask
- Possess excellent customer service skills, with the ability to interact in a friendly, professional manner with a wide range of patients, operations staff, and external professionals
- Strong communication skills (both verbal and written)
- Impeccable attention to detail
- Ability to organize in an efficient manner
- Basic understanding of web technology
- Proficient with the Internet and online chat

Mirixa is an equal opportunity employer. Applicants should be cleared to work in the US.
Relocation assistance is not available at this time.
